

Fleet IT Specialist (m/f/d)

PETER DÖHLE Schiffahrts-KG is a provider of global maritime services with roots in Hamburg and home ports all over the world. We see ourselves as a group of companies rich in tradition yet future-oriented, providing tailor-made solutions for the entire shipping industry. To support our **Shipmanagement** at the next possible time, we are looking for a Fleet IT Specialist (m/f/d).

Your tasks and responsibilities:

- 1st, 2nd and 3rd level support for the fleet
- Central contact person for the leading crew on board, as well as for the shore based staff in case of any IT-related questions and problems with the working systems
- Independently analyse and resolve IT issues via phone, mail, remote during on-call duty or aboard our worldwide operating fleet
- System administration and troubleshooting
- Optimisation and further development of IT concepts in the maritime environment
- Participation in various IT projects

Preferable qualifications and requirements:

- An apprenticeship or comparable qualification in the field of IT with a focus on system integration
- Ideally several years of professional experience in the field of shipping
- Strong knowledge of PC hardware and IP networks as well as technical expertise in the use of Windows 7, 10 and Windows Server
- A reliable and organised working style
- Strong communication skills with fluency in English and preferably German
- Flexibility and willingness to travel internationally
- Readiness for constant availability

What we offer you:

A challenging and varied job with a lot of (personal) responsibility

A pleasant working atmosphere in a highly motivated, dynamic team as well as individual perspectives for further development

An exclusive working environment at the Elbe with an in-house fitness area and company restaurant

Would you like to make a difference with us?

We are looking forward to receiving your application via email including your earliest date of joining and your salary expectation.
